

Fluence to Present at Cowen New York Summit on September 20

September 17, 2018

Melbourne, Australia & New York, USA: Fluence Corporation Limited (ASX: FLC) (“Fluence” or the “Company”), a global leader in water and wastewater treatment solutions, today announced that its Chief Executive Officer, Henry Charrabé will participate in the “Water – Reaching an Inflection in Advanced Technology” panel presentation at the Cowen Industrial Innovation and Technology Summit at The Maxwell Hotel, in New York, on September 20, 2018, at 2:15PM E.T..

The Company will also host investor meetings throughout the day. Attendance at the conference is by invitation only for clients of Cowen and Company. Interested investors should contact your Cowen sales representative to secure a meeting time.

About Fluence Corporation Limited (ASX: FLC)

Fluence has experience operating in over 70 countries worldwide and employs more than 300 highly trained water professionals around the globe. The Company provides local, sustainable treatment and reuse solutions, while empowering businesses and communities worldwide to make the most of their water resources.

Fluence offers an integrated range of services across the complete water cycle, from early stage evaluation, through design and delivery to ongoing support and optimization of water related assets. With established operations in North America, South America, the Middle East and Europe, Fluence is also expanding into China’s rural wastewater treatment market.

Global consultancy Frost and Sullivan awarded Fluence Corporation “2018 Global Decentralized Water and Wastewater Treatment Company of the Year”, noting in their award dissertation:

“While typical decentralized water treatment systems are relatively expensive, complicated, and inefficient, Fluence Corporation leverages innovative and smart technology solutions backed by decades of industrial know how to excel in water and wastewater treatment solutions. Fluence’s excellence becomes apparent through its success, as the company continues to expand its existing offerings as well as partnerships with other prominent companies in the industry. With its easy to use, sustainable, smart and cost-effective solutions as well as a remarkable year of growth, innovation, and leadership, Fluence Corporation earns Frost & Sullivan’s 2018 Global Company of the Year Award in the decentralized water and wastewater treatment industry.”
