

## **Fluence and Aquatec Maxcon sign distribution agreement for Australia**

*Melbourne, New York 3 April 2019*

Fluence Corporation Limited (ASX: FLC) is pleased to announce that it has executed an exclusive distribution agreement with Aquatec Maxcon (AQM) to promote and sell Smart Packaged Aspiral™ MABR-based solutions in Australia. Partnering with Queensland-based AQM will allow the Company to leverage AQM's extensive water industry contacts and 50 years' worth of operating expertise as Fluence continues its expansion into new markets.

Commenting on the agreement, Fluence Managing Director & CEO Henry Charrabé said: “We’re pleased to partner with AQM to roll out the Aspiral™ Smart Packaged family of solutions in Australia, further expanding the global footprint of our Smart Products Solutions. With its extensive network and capabilities, AQM is the ideal distribution partner for Fluence’s innovative MABR-based wastewater solutions.”

AQM’s Managing Director, Peter Ferrando commented, “We’re excited to offer Fluence’s Aspiral™ family of leading wastewater treatment solutions throughout Australia as we look to continue to provide our customers with the most innovative options to solve their wastewater challenges.”

Fluence and AQM will present together at Water Industry Operators of Australia conference, April 3-4 in Orange, NSW and will also participate at OzWater 2019 being held May 7-9 in Melbourne.
